Sub: Celebration of World Youth Skills Day '2023- regarding

Madam / Sir,

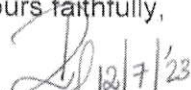

I wish to say that World Youth Skills Day 2023 is being celebrated on July 15, 2023 with great enthusiasm across the globe. The day stresses on the importance of providing proper training to the youth and creating skills for decent work, employment & entrepreneurship and thus the day has the theme "**Skilling teachers, trainers and youth for a transformative future**".

It is imperative to organize competition events & special programs such as plantation of medicinal and fruit bearing plants for clean & green campus, essay writings, debate, quiz, sports / cultural, inter-trade skill competitions, convocation etc from 12th - 14th July and felicitate the winners on 15th July '2023 at institute level ceremony by associating Role Models, parents, prospective trainees, high school children & teachers, PRI members and district level dignitaries.

The competitions may be organized such that they resonate with the theme for this year Tata STRIVE Change Leaders & Sports Change Leaders may be roped in for the celebrations in ITIs. The expenses on the account of plantation may be booked under PL Development funds instantly on maintaining due purchase/ financial formalities and the eligible expenditure will be adjusted against budgetary allocations under 'Improving Aspiration level of Trainees' / Sudakshya / IEC heads as in the cases.

Enclr: As above

Yours faithfully,
