PROCTORIAL SYSTEM (WINTER-2022)

The Mentor/Proctorial system for Winter-2022 as mentioned below. The main objective of the system is to guide the students to enhance their technical knowledge(both theory and practical),also to guide them for their career counselling regarding their future jobs, to create awareness among the students how to face different recruitments through online and offline mode.

To find any drawback of the concern students and rectify it by personal care, attention and guidance by the Proctor/Mentor. Steps have been taken by the concerned Proctor/Mentor to make the students both physically and mentally fit as a result he/she may be able to become a skill engineer in future.
